INVITATION

The Danish Centre for Entrepreneurship Research (DCER) invites you for the inauguration on Thursday 19 June 2014. The event will introduce DCER, a cross-university collaboration on entrepreneurship research, and will touch upon some of the most interesting and important topics currently debated in the field.

The launch will be marked by prestigious keynotes to be given by Anders Hoffmann, Deputy Director General at the Danish Business Authority and the Professors Maryann Feldman, Mirjam Van Praag and Olav Sorenson, accompanied by presentations from DCER members.

The inauguration will commence at 1pm and is finalized by a small reception offering the opportunity for networking and informal interaction ending at 6pm.

Additional information about the event, together with details about how to get to the venue at the Copenhagen Business School, are enclosed.

For registration, please contact Maria Halbinger mha.ino@cbs.dk.

We look forward to your attendance!

Yours sincerely

The DCER Organization Committee

Francesco Melillo, Maria Halbinger and Toke Reichstein
